<i>All flight and hotel amounts are estimates, travel is charged at cost</i>						

*All packages come with as standard:*

*All day attendance at the wedding locations*

*High Resolution disk - containing all your images from the day, this is copyright free so you are able to print and email images*

*Website - a professional website will be produced to show all your wedding photographs so people can order prints online*

*Most photographers offer standard prints at 6x4, we believe that the larger 7½x5 size is significantly better for showing off the best in your wedding prints, so we offer you both options*

*NOTE: Transport should be provided between locations and the photographer be catered for at mealtimes*

\*\*\* we do not charge VAT \*\*\*

## Graphistudio Books – made in Italy

*Combining the uniqueness of the handmade binding, the most advanced digital technologies and the creativity of professional designers; this is the idea from which the book originated and it found its natural development in the wedding market, becoming the wedding book. Today, with more than 12 years of experience, Graphistudio have established new qualities and price-oriented standards, dictating the market rules once again. These albums, handmade in Italy and the definitive wedding books.*
